

The logo is a circular emblem with a red outer ring containing the text "EMERGENCY COMMUNICATIONS" at the top and "PINELLAS COUNTY AMATEUR RADIO SOCIETY" at the bottom. The inner blue circle features a satellite, a laptop, a radio tower, and a satellite dish, all connected by yellow lightning bolts. The text "A.C.S." is written in large yellow letters at the bottom of the inner circle.

- Published by ARRL®
- National Standard
- Recommended minimum proficiencies and skills
 - Level 1 – Entry Level
 - *Join ARES and have a license*
 - **Level 2 – Skill set desired by ARES®**
 - *IS-100, 200, 700, and 800*
 - *ARRL-EC-001 Intro to Emergency Communications*
 - *Participate in a net once per quarter*
 - *Program Tone, frequency, and offset into an HT*
 - *Write and send an ICS-213 general message*
 - Level 3 – Increased skill set on pathway to leadership

ECs, at their discretion, can add or substitute skills that they consider important.

Training Plans – General Overview

Florida ARRL® Tri-Section ARES® Standardized Training Plan

- Published jointly by all three Florida Sections
- Minimum proficiencies and skills for Florida ARES®
- Additional Skills added for Florida ARES®
 - Level 1 – Entry Level
 - Program Tone, frequency, and offset into an HT
 - Describe ARES® chain of command
 - **Level 2 – Skill set desired by ARES®**
 - **Create and send via NTS an ICS213 or radiogram**
 - **Demonstrate the correct way to fill in an ICS214 and ICS309**
 - **Create a 24-hour Go-kit**
 - **Demonstrate deployment and use of VHF/UHF and HF antennas**
 - **Operate radio on emergency power**
 - **Explain need for grounding**
 - **Participate in a Simulated Emergency Exercise**
 - **Install a connector on coax cable**
 - **Send a Winlink email over VHF/UHF**

- Official ICS position provides auxiliary communications to local, county, regional, tribal, or state agencies / organizations
- Formal Training Course
- Minimum Criteria for Certification
 - Prerequisites
 - Readiness, Preparedness, Situational Awareness
 - Communicate Effectively
 - Technical Skills
 - Establish an Incident Auxiliary Communications Center
 - Drafting Plans, Systems Management, and Documentation
 - Demobilization
- Agency certification – State of Florida SWIC

Skills needed for deployment under ICS

Training Plans – General Overview

Summary

- **ARES® Training**

- Defines three training levels
- Local EC can add but not delete tasks
- EC not permitted to create new levels
- Targets **general** skills rather than PinCo **position specific** skills

Florida ARES® Level 2	Pinellas County Evac Shelter
24-hour go-kit	72-hour personal go-kit
Send Winlink Message via VHF	Send and Receive ICS213 via VHF Winlink
	Contingency Mode operation <ul style="list-style-type: none">• Primary repeater failure
Operation on emergency power	N/A
Deploy and use an HF antenna	N/A

Training Plans – General Overview

Summary

- **AUXC Training**

- Official ICS Position with certification at state level
- Skills needed for deployment under ICS
 - Expected to interact with professional EM personnel
- Scope of communications training is not limited to Amateur Radio
- Certified AUXC can be deployed throughout Florida and Nationally

Excellent training Program

Pinellas County ACS Training Plan

Agenda

- Training Plans – General Overview
- Pinellas County Training Requirements
 - Deployment Sites
 - Qualification Levels
- Pinellas County ACS Position Task Book (PTB)
- Performance Evaluation
- Summary

Pinellas County ACS Training Plan

Deployment Sites

- Deployment locations fall into four general categories
 - Evacuation Shelters
 - Critical Infrastructure Sites
 - Deployable Comm Centers
 - PinCo Emergency Operations Center (EOC) Radio Room
- Site description
 - Key Site Features: Elements of site infrastructure that would impact communications team.
 - Capability Requirements: The required tasks that a communications team would perform at the deployment site.

Pinellas County ACS Training Plan

Deployment Sites – Evacuation Shelters

- **Key Site Features**

- Evacuation Shelters are located within Pinellas County.
- Emergency power is available at all deployment locations.
- An external VHF/UHF antenna has been installed at each deployment location.
- The coax cable attached to the antenna is available in a dedicated room assigned to PinCo ACS communicators.
- Food, water, restrooms, and a dormitory area will be provided to the communications team.
- Communications teams will be issued a radio go-kit that contains a power supply, VHF/UHF amateur radio, Winlink computer system, coax cable, and antenna.

What other site features might impact operations?

Pinellas County ACS Training Plan

Deployment Sites – Evacuation Shelters

- **Capability Requirements**

- Communicate with the PinCo EOC using VHF/UHF amateur radio repeaters and VHF/UHF simplex nets.
- Exchange both tactical and formal message traffic with the PinCo EOC.
- Exchange message traffic using both voice and digital radio networks.
- Interact in a professional manner with site personnel. Attend all staff meetings, keep the local site supervisors apprised of significant events, and perform additional tasks as required to support the site supervisor.

- **Exclusions**

- HF Communications is not required.

Additional Capability Requirements?

Pinellas County ACS Training Plan

Deployment Sites – Critical Infrastructure Sites

- Critical Infrastructure Sites include but are not limited to hospitals, fire stations, and PinCo municipal EOCs.

Pinellas County ACS Training Plan

Deployment Sites – Critical Infrastructure Sites

- **Key Site Features**

- Critical Infrastructure sites are located within Pinellas County.
- Emergency power **may not** be available at all deployment locations.
- **No** amateur radio infrastructure (e.g., external antennas, dedicated radio room, etc.) is assumed to be available at any deployment location.
- Food, water, and a dormitory area **may not** be provided to the communications team by the infrastructure site.
- Communications teams will be issued a radio go-kit that contains a power supply, VHF/UHF amateur radio, Winlink computer system, coax cable, and antenna.

How does this impact contents of personal Go-Kit?

Pinellas County ACS Training Plan

Deployment Sites – Critical Infrastructure Sites

- **Capability Requirements**

- Communicate with the PinCo EOC using VHF/UHF amateur radio repeaters and VHF/UHF simplex nets.
- Exchange both tactical and formal message traffic with the PinCo EOC.
- Exchange message traffic using both voice and digital radio networks.
- Interact in a professional manner with site personnel. Attend all staff meetings, keep the local site supervisors apprised of significant events, and perform additional tasks as required to support the site supervisor.

- **Exclusions**

- HF Communications is not required.

Pinellas County ACS Training Plan

Deployment Sites – Critical Infrastructure Sites

- **Capability Requirements (Cont.)**

- Required to transport, emplace, and maintain PinCo portable Starlink satellite terminals.
- Configure portable Starlink satellite terminals to provide
 - High-speed ethernet
 - Wi-Fi internet service,
 - Voice over Internet Protocol (VoIP) telephone service

Additional Capability Requirements?

Pinellas County ACS Training Plan

Deployment Sites – Deployable Comm Center Sites

- Deployable Comm Centers will be established at locations that require:
 - Regional radio connectivity,
 - Highspeed internet, and/or
 - Cell phone service.
- Comm services provided
 - PinCo SatRunner™
 - PinCo Command-Runner
 - Portable Starlink satellite terminal

Pinellas County ACS Training Plan

Deployment Sites – Deployable Comm Center Sites

- **Key Site Features**

- Deployable Comm Center sites are located inside or outside Pinellas County.
- Neither commercial nor emergency power may be available at designated deployment locations.
- No amateur radio infrastructure (e.g., external antennas, dedicated radio room, etc.) is assumed to be available at any deployment location.
- Food, water, and dormitory areas may not be provided to the communications team at designated deployment locations.

How does this impact contents of personal Go-Kit?

Pinellas County ACS Training Plan

Deployment Sites – Deployable Comm Center Sites

- **Capability Requirements**

- Required to transport, emplace, configure, and maintain PinCo SatRunner™, Command-Runner, and Starlink equipment suites.
- Exchange both tactical and formal message traffic with:
 - PinCo EOC
 - All deployed ACS communications teams
 - State of Florida EOC
 - Partner agencies
 - PinCo municipalities.
- Exchange message traffic using both voice and digital radio networks.

Pinellas County ACS Training Plan

Deployment Sites – Deployable Comm Center Sites

- **Capability Requirements (Cont.)**

- Operate the radio systems that are installed in the PinCo SatRunner™ and Command-Runner equipment suites.
 - VHF/UHF amateur
 - Marine
 - VHF/UHF public safety
 - HF amateur
 - SHARES
 - Satellite
 - 700/800 MHz public safety

Pinellas County ACS Training Plan

Deployment Sites – Deployable Comm Center Sites

- **Capability Requirements (Cont.)**

- Required to configure PinCo SatRunner™ and Command-Runner equipment suites to provide the following capabilities to co-located emergency management personnel
 - High-speed ethernet and Wi-Fi internet service
 - Cellular phone
 - VoIP telephone service.
- Interact in a professional manner with site personnel. Attend all staff meetings, keep the local site supervisors apprised of significant events, and perform additional tasks as required to support the site supervisor.

Pinellas County ACS Training Plan

Deployment Sites – PinCo EOC Radio Room

- The PinCo EOC Radio Room is located adjacent to the EOC on the second floor of the Pinellas County Public safety complex.

Pinellas County ACS Training Plan

Deployment Sites – PinCo EOC Radio Room

- **Key Site Features**

- Emergency power is always available.
- Multiple VHF/UHF, Marine, HF, and satellite antenna systems are permanently installed on the roof of the Public Safety Complex.
- Food, water, and dormitory area will be provided to the EOC communications team.

How does this impact contents of personal Go-Kit?

Pinellas County ACS Training Plan

Deployment Sites – PinCo EOC Radio Room

- **Capability Requirements**

- Exchange both tactical and formal message traffic with:
 - All deployed ACS communications teams
 - State of Florida EOC
 - Partner agencies
 - PinCo municipalities.
- Exchange message traffic using both voice and digital radio networks.
- Net Control for all PinCo ACS VHF/UHF amateur radio nets.
- Use the WebEOC and NWSChat applications to interact with
 - PinCo EOC personnel
 - Tampa Bay National Weather Service (NWS) office

Pinellas County ACS Training Plan

Deployment Sites – PinCo EOC Radio Room

- **Capability Requirements (Cont.)**

- Operate the radio systems that are installed in the EOC Radio Room.
 - VHF/UHF amateur
 - Marine
 - VHF/UHF public safety
 - HF amateur
 - SHARES
 - Satellite
 - 700/800 MHz public safety
- Interact in a professional manner with site personnel. Attend all staff meetings, keep the local site supervisors apprised of significant events, and perform additional tasks as required to support the site supervisor.

TABLE C- III. PinCo ACS Position Task Book – Evaluation Record Form	
(This form should be duplicated to provide one for each evaluation opportunity.)	
1. TRAINEE NAME:	William Scott / W7WMS
2. TRAINEE Position:	Basic VHF/UHF Communicator
3. Evaluation Record Number:	#2
4. Evaluator's Name:	Michael H Drake
5. Incident/Office Title and Agency:	PinCo ACS
6. Evaluator's Home Unit Address and Phone:	727-nnn-nnnn
7. Name and Location of Incident or Simulation/Exercise:	
8. Incident Kind:	Hands-on Training Event
9. Number and Kind Resources:	Shelter go-kits, SatRunner, CommandRunner
10. Evaluation Period:	02/02/2024
11.Recommendation: The above-named trainee performed the initialed and dated tasks under my supervision. I recommend the following for this trainee's further development: <input type="checkbox"/> The trainee has successfully performed all required tasks for the position. The PinCo ACS RO should consider the individual for certification. <input type="checkbox"/> The trainee could not complete certain tasks or needs additional guidance. See comments below. <input checked="" type="checkbox"/> Not all tasks were evaluated on this assignment. An additional assignment is needed to complete the evaluation. <input type="checkbox"/> The trainee is severely deficient in the performance of tasks and needs further training prior to additional assignment(s) as a trainee for this position.	
12. Additional Recommendations/Comments	
13. Date: 02/02/2024	
14. Evaluator's Initials: MHD	
15. Evaluator's Relevant Qualification: PinCo ACS Training Officer	

02/15/2024

Evaluation Process

- Evaluators observe and review a trainee's completion of PTB tasks, initialing and dating each successfully completed task in the PTB score card.
- Evaluator completes *Evaluation Record Form* for each training event/incident.

Pinellas County ACS Training Plan

Position Task Book – Score Card

TABLE C- I. FINAL EVALUATOR VERIFICATION

"Do not complete this form unless you are recommending the trainee for all-hazards certification."

I verify that **William Scott / W7WMS**
has successfully completed all tasks as a trainee and should therefore be considered for certification in this position listed below. I also verify that all tasks are documented with appropriate initials.

POSITION: **Basic VHF/UHF Communicator**

FINAL EVALUATOR'S SIGNATURE: *Michael H Drake*

DATE: **02/15/2024**

FINAL EVALUATOR'S PRINTED NAME: **Michael H Drake**

TITLE: **PinCo ACS Training Officer**

AGENCY NAME: **PinCo ACS**

PHONE NUMBER **727-nnn-nnnn**

E-MAIL: **WA1RYQ@ARRL.NET**

Evaluation Process

- Evaluators observe and review a trainee's completion of PTB tasks, initialing and dating each successfully completed task in the PTB score card.
- Evaluator completes ***Evaluation Record Form*** for each training event/incident.
- Once all the tasks for a position have been completed:
 - A member of the PinCo ACS Leadership Team verifies that a trainee has completed each PTB task and meets all requirements for the position.
